SUMMARY

Bilingual (Korean-English) content producer with 2+ years across live broadcast production, unscripted TV, and short-form digital content in Seoul and Los Angeles. Grew SBS International's news shorts channels from ~200 to 7,600+ followers in five months, averaging 5.6M monthly views (clips average ~500K, peak 2.7M), and produced branded live commerce programs generating multimillion-dollar GMV. Known for calm, fast execution in live environments and full-cycle production from concept to final cut.

EXPERIENCE

SBS International — Los Angeles, CA

Content Producer, Programming & Advertising Operations (Internship) | Sep 2025 – Present

- Independently launched and lead the SBS Evening News short-form initiative across Instagram and YouTube, growing followers from ~200 to **8,000+ in five months**, averaging 5.6M monthly views; clips average ~500K, with a top clip reaching **2.7M views and 50K shares**
- Serve as on-camera reporter for a self-produced weekly golf segment, owning the full cycle — concept, scripting, shooting, and editing — and produce tournament behind-the-scenes interview shorts
- Authored a digital advertising monetization proposal with audience insights, placement packages, and a full rate card; delivered to division directors as a client-ready sales deck for the advertising team
- Manage advertising operations end to end: contract and schedule management, ad QC, and post-broadcast performance reporting used for advertiser renewals
- Adapt and re-edit Korean broadcast programming for U.S. air, coordinating across programming and advertising teams in a bilingual (Korean-English) environment

Kakao Shopping Live (Kakao Corp.) — Pangyo, South Korea

Assistant Director, Live Commerce Production | Nov 2024 – Aug 2025

- Co-produced *Live Check-In*, a luxury-hotel travel live program (21 episodes), contributing to approx. **KRW 4.4B (US\$3.2M) GMV in three months** and a 1.9x lift in transaction volume during the period
- Produced *Starbucks at Home*, a monthly branded live program averaging approx. **KRW 120M (US\$87K) GMV per broadcast**
- Executed end-to-end live production across travel, beauty, fashion, and wellness: rundowns, CG and media-wall design, insert video shoots, camera blocking, audio, and live switching
- Made real-time production calls during live broadcasts — re-cutting rundowns around product issues, updating pricing/promotion CG mid-show, and re-weighting segments toward top-selling products
- Managed influencer sourcing, contracting, and on-site coordination for live broadcast participation

TV Chosun — Seoul, South Korea

Digital Content Producer (Intern), Mr. Trot 3 | Oct 2024 – Mar 2025

- Produced and edited **30+ short-form clips per episode** from broadcast and behind-the-scenes footage for YouTube and Naver TV; top clips reached **510K views**
- Executed the official Instagram rebrand and published ~280 posts over five months, designing round-concept feeds, review magazines, and interactive fan content

NoWorries Korea — Seoul, South Korea

Content Producer (Freelance) | Aug 2024 – Oct 2024

- Solo-produced *Help Me Holmes*, a YouTube advisory series for foreign residents in Korea — concept, casting, directing, shooting, design, and editing

EDUCATION

Kyung Hee University — Seoul, South Korea

B.A., Public Administration | Expected Feb 2026
